ABOUT

SPURTHY

The Spurthy story began in 2003. It was scripted by a team of Dynamic and vibrant technocrats, research scientists, entrepreneurs and mentors with an objective to foster and create Next generation leaders in health care and management.

The challenges facing education in India are numerous. research scientists, entrepreneurs and mentors with an objective to encourage, foster and create next generation leaders in health care, management and science.

OUR MISSION

The mission of the institute is to create experts who will demonstrate superior intellectual capacity, a track record of success, outstanding commitment, dedication and integrity, with a global outlook in all that they undertake.

We are proud to see our students confidently walk out of our gates every year, ready to face the world as better individuals. As eager newfaces arrive at our campus every new academic year, we remind ourselves of the noble mission we have taken up.

OUR VISION

Leadership is at the core of everything we do at Spurthy Our vision is to position Spurthy as the institution of choice for excellence in health care, management and science education in the Asia by providing world class education in a multi-cultural environment.

Spurthy Group of Institutions consistently works towards providing holistic development to each and every learner so that they emerge as responsible citizens of tomorrow.
